

Rainbowdance® Preschool Training

Dear Rainbowdance® Interventionists,

We are thrilled to announce our Preschool Rainbowdance® Training on **April 29, 2023**, and to be together with you all again. This training is open to anyone who has completed the Basic Rainbowdance® Training.

Rainbowdance® for preschool children (ages 3-5) continues to reinforce trust and stability through the use of repetitive and integrated movements and sound. Activities that encourage exploration of the environment are framed by familiar beginning and ending circles. Through stories and movement improvisations children explore their relationships to each other, practice self-regulation and modulation, and experience the natural world as home. Individual and group esteem is enhanced and dynamically woven into the Rainbowdance® experience.

During this training you will learn the preschool model of Rainbowdance®, appropriate for children ages 3-5 years old, which includes the Flower Garden, Shoefly, and various adaptations. We will also review a variety of Story Improvisations.

We thank you all for your commitment to the work in your field and at your sites. We look forward to seeing you!

Warmly,
Ashlyn & Bella

Registration Fee: \$250*; If you have completed the Advanced Rainbowdance® Training prior to 2019, you may attend this training as a refresher course at a discounted rate of **\$120*** (this will also count toward the 6 hours of Rainbowdance® Endorsed Practitioner CEU requirement).
